COOKING | 2010 EDITION

Fisher & Paykel

RANGES

Professional convection cooking

All our ranges are equipped with a fan to circulate air throughout the oven cavity for even performance throughout your oven.

Cooking functions

Fully featured ranges include five cooking modes plus Self Clean, Defrost and Light.

Door and cavity cooling system

Select ovens are equipped with a cooling system to minimize heat transfer and protect kitchen cabinetry.

Sleek European design

Designed to compliment the Fisher & Paykel kitchen lineup matching styles and handle designs. You can now purchase a true family of appliances.

Convenient features

Electronic alarm and clock; Durable enamel cavity resistant to most scratches, spills and cleaners; Select range models include a warming drawer with moisture selector.

Dual fuel and gas options

48", 36", 30" and 24" ranges including dual fuel and electric options.
