

Fisher & Paykel

DishDrawer™ Dishwasher

World's first.

With over a decade of manufacturing experience, the world's first drawer dishwasher offers the best ergonomics with the least amount of bending.

Superior wash performance.

The nine wash cycles combined with the world's first flow through detergent dispenser and 163°F sanitizing temperature ensure world class performance.

Efficiency.

ENERGY STAR® qualified with ultra quiet operation and uses as little as 1.95 gallons of water per drawer.

Improved capacity.

7 place settings per drawer. DishDrawer™ Tall dishwashers hold large 13" plates and platters.

Improved racking.

The flexible racking system with fold down and pitch adjustable tines, adjustable racks and cup racks makes loading easy while best utilising the space in the drawer.

Seamless Integration & clean lines.

Enhanced venting, fully adjustable door and wireless remote (integrated models only) eliminates the need for an external interface creating clean lines.
