Features & Benefits

Coffee choice
Fisher & Paykel's Coffee Maker has 13 different options to suit individual taste and selection – from Americano to Macchiato.

Self cleaning
The Coffee Maker has a self-cleaning function and comes with a removable drip tray and a waste container for used coffee grounds.

Designed to match
Finished in black reflective glass with a polished metal trim, this Coffee Maker matches the full companion product set and the rest of the Fisher & Paykel kitchen family.

Coffee your way
Program an automatic setting to start up at the same time each day and memorise your favourite coffee. The intuitive touch display includes refill, cleaning and maintenance data, while twin LED lights illuminate your beverages so you can see what you are doing on those dark mornings

Sized to suit
This 24" Built-in Coffee Maker is perfect for the compact kitchen and can be placed virtually anywhere. All companion products can be installed at a convenient height to suit your kitchen design and preference.

Barista-style coffee
The conical burr grinder delivers a consistent grind for the perfect coffee. Set it to suit your preference.
