

# Integrated Column Freezer, 45.7cm, Ice

Series 11 | Integrated  
Panel Ready | Left hinge

- Install it separately or pair with another Column for true design freedom – this model is left hinge with stainless steel interior.
- ActiveSmart™ technology helps keep food fresher for longer by constantly maintaining the ideal temperature.
  - Variable Temperature Zone lets you change a compartment to Freeze, Soft Freeze or Deep Freeze for optimal storage
  - Internal ice maker with boost for busy times
  - Customise with your own kitchen cabinetry or purchase our stainless steel door panel accessory

## DIMENSIONS

Height	2134mm
Width	451mm
Depth	610mm

## FEATURES & BENEFITS

- Mix & Match**  
Integrated Column Refrigeration gives you the freedom to mix and match. Different sized Column Fridges and Freezers can be installed separately or paired. Finish them with our stainless steel door panels or customise to match your own kitchen cabinetry.
- Perfect fit**  
These models fit flush, with only 3mm gaps around them and no visible hinges or grilles. Our Integrated Column models can be seamlessly hidden behind your cabinetry, or you can purchase

our stainless steel door panel.

- Clever energy**  
Our ActiveSmart™ Foodcare Refrigerator Freezers adapt to daily use by cooling and defrosting only when needed. This means your refrigerator uses the energy it needs without compromising on food care.
- Appealing illumination**  
Bright LEDs light up each ceiling, shelves, bins and trays in both refrigerator and freezer, making it easy to find your food and creating a welcoming glow in your kitchen for those midnight snacks.
- Design quality**  
The premium design and quality finish includes a steel interior lining as well as soft-close, full extension metal shelf runners for easy access and robust glass shelving.
- Easy Install**  
Integrated Column Refrigerators and Freezers have been developed to make their installation easy. The joiner kit is included when pairing refrigerators and freezers. All models come with front adjustable levelling feet and they've been designed to easily slide into place as separate units.

In-use energy carbon	46.7kgCO2e/year	Dual evaporator	•		
		Frost free	•	All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.
