### Cooking Flexibility

This built-in oven has seven functions with pre-set temperatures, including Bake, Fan Bake and Fan Forced, allowing you to use a variety of cooking styles.

### Sized to suit

This built-in oven provides a generous 71L + 45L of total capacity across two cavities providing enough space to fit a large casserole dish, the family roast and a crumble for dessert.

### Easy cleaning

This built-in oven has catalytic liners that break down oil and fat splashes during cooking so you don't have to spend hours cleaning.

### Safe and sound

The CoolTouch door with triple glazing and cooling system is safe to touch from the outside, protecting your hands and the surrounding cabinetry.

### Accessories

This built-in oven comes with a number of handy accessories including a fat filter, flat brushed baking tray and a grill rack.

### Complementary design

With their premium handle styling and stainless steel finish, our fridges are designed to match the rest of Fisher & Paykel's kitchen appliance family.
