FEATURES & BENEFITS

Multi-shelf cooking

Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfectly as food cooking on the bottom shelf.

Quality and durability

Every detail has been carefully crafted. The solid, perfectly

balanced soft-close door, durable cooktop and glowing halo dials all add up to an exceptional, premium range.

POWER & CONTROL

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer a delicate sauce to perfection.

EASY TO CLEAN

Cleaning up spills is effortless. Your cooktop simply needs a quick wipe to keep it looking good as new. The pyrolytic self-clean oven cycle breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

COMPLEMENTARY DESIGN

Combining traditional aesthetics and modern performance, this Classic style freestanding range cooker is the perfect centrepiece for your unique kitchen design.

LARGE CAPACITY OVEN

The generous 140L total capacity oven gives you plenty of space to cook multiple dishes at once.

MULTI-FUNCTION FLEXIBILITY

No matter what you are cooking, you have the right heat to match thanks to nine oven functions plus Rotisserie, including Pastry Bake with Pizza Mode and Rapid Proof for making bread.
