DIMENSIONS

Height	1715mm
Width	790mm
Depth	695mm

FEATURES & BENEFITS

- ActiveSmart™ Foodcare**
Every time you open your refrigerator, the temperature around your food changes. ActiveSmart™ foodcare adjusts airflow to create a stable temperature, helping your food stay fresher for longer.
- SIMPLE STORAGE**
This refrigerator is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean.

- Our flexible shelving also gives you more storage options.
- Humidity control**
Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.
- Easy cleaning**
No more permanent dirty marks with our EZKleen feature for stainless steel fridges. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.
- DESIGN QUALITY**
Our fridges are designed and built using quality materials. We use real stainless steel on our fridges and solid glass for shelving.
- Clever energy**
Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means your refrigerator uses the energy it needs without compromising on food care.
- COMPLEMENTARY DESIGN**
With their premium handle styling and stainless steel finish, our fridges are designed to match the rest of Fisher & Paykel's kitchen appliance family.
