### Capacity and loading

Accommodates round plates up to	310mm
Adjustable height, foldable cupracks	•
Fold down tines	•
Pitch adjustable tines	•
Place settings	7
Place settings	7

## FEATURES & BENEFITS

### Ease Of Use

DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking allows you to make adjustments to fit in a variety of dishes.

### Quick, Sanitise And Extra Dry Options

The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection, killing 99.9% of bacteria\* in the final rinse. The Extra Dry setting is perfect for plastic dishes. \*Certified to NSF/ANSI Standard 184

Created with extra height for large dishes and designed to be placed anywhere in your kitchen, for loading dishes with less bending.

- With extra height for taller dishes, and customisable internal shelving
- Six wash programs, as well as additional Quick wash, Sanitise and Extra Dry options

Quiet operation	•	Rinse	•	All appliances use energy, and energy usage typically generates carbon emissions. <b>Fisher &amp; Paykel Appliances' In-use Energy Carbon Emissions Estimate</b> indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.	
SmartDrive™ technology	•	Wash programs	6	<hr/>
