

# Induction Hob, 60cm, 4 Zones

Series 5 | Contemporary

Black Glass

Great for compact kitchens. Enjoy the instant-response hob, energy efficiency and cool-to-touch safety.

- Instant response and precise control with Touch&Slide
- PowerBoost and GentleHeat deliver both very high or very low heat for specialised cooking
- Easy to clean, durable ceramic glass cooktop
- Enjoy safer cooking with a keylock function, safety time out, surface hot indicators, and spillage auto off

## DIMENSIONS

Height	61mm
Width	600mm
Depth	530mm

## FEATURES & BENEFITS

### Instant response

Go from a boil to a simmer in seconds. Fisher & Paykel Touch&Slide controls react immediately when you adjust the temperature so you don't waste time in the kitchen.

### Safer choice

Induction hobs only start heating your pot or pan once you've placed it on the ceramic surface and stop as soon as you remove it - so you don't have to worry about curious little fingers or leaving an element on.

### Easy cleaning

The surface around your cookware stays cool when you cook, preventing baked-on spills and making cleaning up a breeze. The

durable ceramic hob surface just needs a quick wipe after use to maintain its good looks.

### Enhanced features

PowerBoost and GentleHeat deliver either very high or very low heat fast for specialised cooking tasks such as searing meat and melting chocolate. An integrated timer keeps you on track.

### Superior efficiency

No heat is wasted during induction cooking because only the cookware is heated, not the hob surface. This makes induction cooking more energy-efficient than electric or gas hobs.

### Precise control

Fisher & Paykel induction hobs offer extremely accurate, consistent temperature control from very high to very low heats, so you can sear, sauté and temper like a pro.

### HIGH-HEAT SEARING

Fisher & Paykel induction hobs quickly reach high temperatures, ideal for cooking steak. Cast iron pans are the best choice as they are highly inductive and get really hot, for perfect searing.

## SPECIFICATIONS

### Cleaning

- Flat easy clean glass surface

### Controls

- Auto cut-off timer for each
- Minute timer
- Soft-touch electronic controls
- Touch and slide controls

### Performance

- Gentle heat
- Heat settings 9
