

Wall Rangehood, 60cm, Fixed

Series 3 | Contemporary

White

This white stainless steel rangehood has contemporary styling, extracting steam, grease and cooking odours quietly and efficiently.

- With three fan speeds, select the perfect extraction rate for your cooking
- Efficient maximum air movement of 185m³/hr
- Dishwasher safe filters that are easy to remove and clean

DIMENSIONS

Height	120mm
Width	598mm
Depth	450mm

FEATURES & BENEFITS

Easy installation

This rangehood can be either externally ducted through the top or can recirculate air internally through its filters, making it perfect for apartments.

Easy to use

Three fan speeds provide powerful extraction to ensure steam and odours are quickly removed. Simply change the fan speed with the touch of a button.

Easy Cleaning

The filter, consisting of layers of aluminium mesh, effectively traps grease particles during extraction. It's easy to remove and dishwasher safe, or can be cleaned by hand in hot soapy water.

Designed to match

This rangehood is the perfect partner to your Fisher & Paykel cooktop.

-----	-------

carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
