

Series 9 Contemporary Tall Built-in Dishwasher

Contemporary

A tall built-under dishwasher with considered detailing and seamless integration, offering increased internal height for larger cookware and entertaining essentials. Telescopic slide racking supports flexible loading, complemented by interior illumination for improved visibility throughout. Auto sensing technology adjusts water and wash intensity automatically, and quiet performance suits open plan living.

- Auto sensing wash adjusts water and wash intensity to suit each load
- Designed to maximize usable space, with pitch-adjustable tines for deeper dishes and bowls

- Auto Door Open Dry releases excess steam, while an Air Curtain directs it away from surrounding cabinetry
- Wi-Fi enabled and works with the SmartHQ™ app for remote control and notifications

DIMENSIONS

Height	33 3/4 - 36 1/8 "
Width	23 1/2 "
Depth	22 13/16 "

SPECIFICATIONS

Accessories (included)

Cutlery basket	•
Kickstrip	true

Capacity and loading

Accommodates round plates up to (lower basket)	12 3/4"
Accommodates round plates up to (top basket)	9 13/16"
Adjustable height, foldable cupracks	•
Easy lift adjustable upper basket	•
Fold down tines	•
Full width cutlery/utensil tray	•
Large crockery insert in lower basket	•
Pitch adjustable tines	•
Place settings	16
Place settings	16

- Telescopic slides
- Wine glass supports with stemware grippers

Connected Features

- Alerts and notifications
- Education and onboarding
- Energy consumption monitoring
- Monitoring
- Remote operation
- Software updates

Consumption

Energy rating	Energy star Most efficient
Energy usage	210kWh/year
In-use energy carbon emissions estimate	24.2kgCO2e/year
Water usage (per wash cycle)	3.2 gal

Controls

- Energy saving delay start option of up to 24 hours
- Floor light cycle feedback
- Internal light
- Internal wash selector
- Keylock
- Rinse aid indicator light
- Smart appliance

Features

Air curtain for countertop protection	•
Auto Door Open Dry	•
Fan assisted drying	•
Flood protection	•
Fully independent spray arms	•
Half load option	•
Internal tub material	Stainless Steel
Motor type	BLDC
Three-stage filtration system	•
Variable wash pressure technology	•

Performance

Noise emissions	42 dBA
-----------------	---------------

Power requirements

Amperage	10A
Supply frequency	60Hz
Supply voltage	100 - 120V

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
