Combination Microwave Oven, 60cm

Series 5 | All

Stainless Steel

DIMENSIONS

Height	460
Width	595
Depth	470

SPECIFICATIONS

Accessories	
Glass tray	•
Glass turntable	315mm
Grill rack	1

Cleaning

Easy clean stainless steel	•	,
----------------------------	---	---

Controls

Delay start	
Electronic clock	
Turntable	

Functions

Auto reheat	•
Convection	•
Defrost	•
Grill High + Microwave	•
Grill Medium	•
Grill Medium + Microwave	•
Microwave + convection	

Microwave + grill	•
Microwave Max	•
Microwave cooking	•
Number of functions	10
Quick 30 seconds	•
Warm	•

Performance

Grill power	1100W
Microwave + Heat Circulation	•
Microwave by levels	•
Microwave power	900W
Microwave power levels	5

Power requirements

Supply frequency	50Hz
Supply voltage	230 - 240V

Product dimensions

Depth	470
Height	460
Width	595

Safety

Safety thermostat	•

SKU	80742

The product dimensions and specifications in this page apply to the specific product and model. Under our policy of continuous improvement, these dimensions and specifications may change at any time. You should therefore check with Fisher & Paykel's Customer Care Centre to ensure this page correctly describes the model currently available. Fisher & Paykel Appliances Ltd 2020

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
