Series 5 | Combination

White

A complete laundry solution for when you need to maximise space while washing and drying your clothes with superior fabric care.

- 7.5kg wash load and 4kg dry load
- Easy installation with no venting required
- Wash and dry an average load in under three hours

## DIMENSIONS

Height	850mm
Width	600mm
Depth	590mm

## FEATURES & BENEFITS

### Two In One Convenience

This 60cm model fits into a standard space and does the work of a washer and dryer combined – offering a complete laundry solution.

### COMPLETE FABRIC CARE

Designed to care for every type of fabric with specialised cycles. The option of low-temperature drying helps prevent fabric damage, and a reverse-tumble drying action minimises tangling.

### Add a Garment

Add a Garment allows you to pause your wash cycle, add or remove an item, then carry on washing.

### HOT SPIN TECHNOLOGY

Hot spin technology reduces moisture content to speed up the drying process – saving time and energy.

### QUICK CYCLE TIMES

Wash and dry an average load in three hours or less.

### Easy installation

All that’s required is a cold water inlet, a drain and power – no venting required.
