QUICK REFERENCE GUIDE > WA60T56GW1

Top Loader Washing Machine, 6kg

Series 3 | Top Load

White

A powerful, quiet washing machine with SmartDrive $^{\text{\tiny{M}}}$ technology, caring for all fabric types.

- Five wash cycles including Allergy, Easy Iron and Handwash
- With SmartDrive[™] technology for a quiet and reliable wash
- 6kg capacity

DIMENSIONS

Height 1030 - 1050mm
Width 560mm
Depth 560mm

FEATURES & BENEFITS

Easy To Use

This machine has a cycle to suit every type of load including Handwash, Heavy and Easy Iron. Select a cycle with easy to use controls.

Reduced Drying Times

Drying times are reduced due to a fast spin speed of 1000RPM, which helps remove more water.

The product dimensions and specifications in this page apply to the specific product and model. Under our policy of continuous improvement, these dimensions and specifications may change at any time. You should therefore check with Fisher & Paykel's Customer Care Centre to ensure this page correctly describes the model currently available. Fisher & Paykel Appliances Ltd 2020

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
