Series 9, Integrated Dishwasher

Series 9 | Integrated

Panel Ready

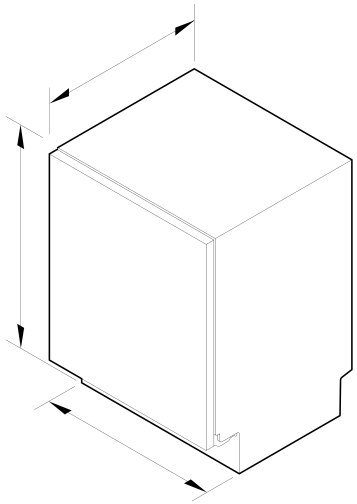

Designed to integrate seamlessly into your cabinetry, this dishwasher delivers superior wash performance and advanced drying.

- Customise with your own front panel and handle to match your kitchen cabinetry
- Eight wash programs from Heavy to Light, including Auto and 60min
- Dry+, Sanitise, Half Load and Intensive modifiers provide extra wash options
- Wi-Fi enabled and works with the Haier Smart Home app for remote control and notifications

DIMENSIONS

Height	820 - 880 mm
Width	597 mm
Depth	554 mm

FEATURES & BENEFITS

Seamless Integration

Customise your dishwasher with a panel and handle matching your cabinetry, for a seamless finish in your kitchen.

Advanced Drying

For consistently dry dishes, this dishwasher boasts an advanced drying system that combines fan-assisted drying with an automatic door opening at the cycle's end. By opening to release excess steam, the Auto Door Open Dry feature ensures your dishes emerge dry and ready for immediate use or storage.

A Reliable Clean

This dishwasher offers eight wash programs including Auto, which automatically senses the optimal wash settings for your dishes. The three-stage filtration system delivers a superior clean, while the rinse aid indicator reminds you to refill for beautifully clean dishes.

Customise Your Wash

The Half Load modifier is ideal for washing smaller loads, ensuring a quicker turnaround for your dishes. The Sanitise function provides extra protection, killing 99.999% of bacteria* in the final rinse, while the Dry+ modifier is perfect for drying plastic.

*Certified by CVC for eliminating Helicobacter pylori, H1N1 influenza virus, Poliovirus, Escherichia coli, and Staphylococcus aureus. Sterilisation data source: CVC report RCVC2024-0243.

Quiet Performer

Running at a very low decibel rating, this dishwasher does its job without making a fuss. The combination of clever technology and simple mechanics means greater reliability and superior wash performance, with minimal noise.

Efficient Performance

With a top efficiency rating of grade 1, this dishwasher delivers a powerful wash. Use the Eco wash program for optimal water and energy consumption, or choose when the cycle begins with Delay Start.

Flexible Loading

Designed to accommodate 16 place settings with ease, the adjustable rack options offer flexibility for various loads. This dishwasher comes complete with a cutlery tray ideal for smaller utensils, a height-adjustable middle rack, cup holders, and wine glass supports, ensuring it caters to your lifestyle.

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
