### ADVANCED DRYING

For beautifully dry dishes every time, this dishwasher features an advanced drying system that combines fan-assisted drying and

automatic door opening at the end of the cycle. By opening to release excess steam, Auto Door Open Dry helps to ensure your dishes come out dry and ready to use or store.

### AN EXCEPTIONAL CLEAN

This dishwasher offers eight wash programs including Glassware and Auto, which automatically senses the optimal wash settings for your dishes. The three-stage filtration system delivers a superior clean, while the rinse aid indicator reminds you to top up for beautifully clean dishes.

### CUSTOMISE YOUR WASH

Create the perfect wash with our range of modifiers, from Intensive for a thorough clean to Half Load, ideal for a partial load. The Sanitise modifier provides extra protection, killing 99.9% of bacteria\* in the final rinse, while Dry+ is great for plastic dishes. \*Certified to NSF/ANSI Standard 184
