 - Delivers a quiet, reliable wash with its unique cushion drum design powered by SmartDrive™ technology

DIMENSIONS

Height	850 mm
Width	600 mm

Depth 655 mm

FEATURES & BENEFITS

- Nine Fabric Care Cycles**
Featuring nine specially-developed wash cycles to care for your clothes, this machine has a cycle to suit every load type from Heavy to Delicate.
- Easy To Use**
This washing machine features an intuitive control panel, where you can easily select your preferred cycle and wash boost options, which include Rinse+ and Pre Wash.
- A Smarter, Quieter Motor**
SmartDrive™ Technology is a gentle, quiet, and efficient combination of smart electronics and a direct drive motor that senses the load to deliver better fabric care.

Quick Cycles

When time is short, you can select a quick 30-minute wash without compromising cleaning and fabric care. Vortex Wash allows most cycles to take less than one hour to complete.

Saves Water And Energy
With a 4.5 star water rating and 4 star energy rating, our 9kg washing machine handles large loads while keeping water and power usage to a minimum.

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
