FEATURES & BENEFITS

- Easy cleaning**
No more permanent dirty marks with our EZKleen feature for stainless steel fridges. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.
- Simple Storage**
This refrigerator is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean.

Our flexible shelving also gives you more storage options.

- Design Quality**
Our fridges are designed and built using quality materials. We use real stainless steel on our fridges and solid glass for shelving as well as in our wine cabinet doors.
- Clever Energy**
Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means it uses the energy it needs without compromising on food care.

Easy Living
These refrigerators adapt to suit your lifestyle with accessible SmartTouch controls, flexible shelving and storage options, and slide-out bins and trays.

Easy Cleaning
Removable, spill-safe glass shelves are easy to clean and contain drips and spills. Storage bins and EZKleen stainless steel doors just need a wipe to keep spotless.

Humidity Control
Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.
