 - Customise with your own kitchen cabinetry or purchase our stainless steel door panel and handle accessories

DIMENSIONS

Height	2134mm
Width	756mm
Depth	610mm

FEATURES & BENEFITS

- Variable Temperature Zone**
- Create the perfect climate and store each type of food at optimal temperature and humidity with Variable Temperature Zone, reducing food waste due to spoiling. You have the choice of four food modes: Pantry, Fridge, Soft Freeze or Freezer. Use the Max cold feature for periods of high refrigerator or freezer use, or full grocery loads.
- Pantry Mode**
- Not everything benefits from cold storage. Pantry Mode (11 to 13°C) is the perfect climate to store foods that benefit from a cool, dark place, including bread, many types of fruit, bananas, avocados, tomatoes, nuts, grains and cereals.

- SOFT FREEZE MODE**
- Soft freeze is for food that requires a gentle freeze and quick thawing, perfect for items that will be consumed soon. It allows easy portioning and the ability to heat, cook or serve straight from the compartment, without waiting for it to thaw.

- ACTIVSMART FOODCARE**
- ActiveSmart Foodcare learns how you live. It's technology which understands how you use your refrigerator and adjusts temperature, airflow and humidity inside to help keep food fresher for longer.

- Internal water dispenser and ice maker**
- Both the water dispenser and ice maker are located inside this Integrated model, leaving an uninterrupted exterior that blends

- in seamlessly with surrounding cabinetry. The slimline water dispenser is flush fit in order to maximise internal storage space, with a temperature-controlled flow and an angled water delivery to capture any drips and spills.
- Complementary Design**
- Both the 61cm and 76cm Integrated Refrigerator Freezers can be installed separately or paired with a Column Refrigerator, Freezer or Wine Column. Customise with your own kitchen cabinetry and handles, or purchase our stainless steel door panel and handle options.

- Design quality**
- The premium design and finish includes a steel interior lining as well as full extension metal shelf runners for easy access, robust glass shelving and quality hinges designed for daily use.
