| Depth  | 484 mm |

## FEATURES & BENEFITS

|                                                                                                                                    |
|------------------------------------------------------------------------------------------------------------------------------------|
| <b>Coffee Choice</b>                                                                                                               |
| Our coffee maker has 13 different options to suit individual taste and selection – from Flat White to Latte to Macchiato.          |
| <b>Self-Cleaning</b>                                                                                                               |
| The coffee maker has a self-cleaning function, and comes with a removable drip tray and a waste container for used coffee grounds. |
| <b>Complementary Design</b>                                                                                                        |
| Designed to match our Minimal style Companion suite, this Coffee Maker has a premium grey glass finish.                            |
| <b>Coffee Your Way</b>                                                                                                             |

With a programmable timer your favourite coffee can be memorised and set to start at the same time each day. The intuitive touch display includes refill, cleaning and maintenance data, while twin LED lights illuminate your beverages creating a welcoming glow on those dark mornings.

**Sized To Suit**  
Perfect for the compact kitchen, this Built-in Coffee Maker can be placed virtually anywhere. All our companion products can be installed at a convenient height to suit your kitchen design and preference.

**Barista-Style Coffee**  
The conical burr grinder delivers a consistent grind for the perfect coffee. Set it to suit your preference.
