FEATURES & BENEFITS

MULTI-SHELF COOKING

Our AeroTech™ system circulates heat evenly for a consistent temperature throughout the cavity, helping you achieve perfect results even when using multiple shelves.

QUALITY AND DURABILITY

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable cooktop and glowing halo dials all add up to a premium freestanding cooker.

EASY CLEANING

The gas cooktop is made from a single piece of stainless steel to contain spills for easy cleaning. The pyrolytic self-clean oven cycle breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

BURNER POWER & CONTROL

Instant control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry, or simmer a delicate sauce to perfection.

LARGE CAPACITY OVEN

The generous 140L total capacity oven gives you plenty of space to cook multiple dishes at once.

EVEN HEAT

Accurate, electronically controlled oven heat ensures a great result every time.
