

Integrated Dishwasher, Sanitise

Series 7 | Integrated

Panel Ready

Designed to integrate seamlessly into your cabinetry, this tall dishwasher delivers superior wash performance and advanced drying.*

- Customise with your own front panel and handle to match your kitchen cabinetry
- Eight wash programs from Heavy to Light, including Auto and 60min
- Dry+, Sanitise, Half Load and Intensive modifiers provide extra wash options

- Wi-Fi enabled and works with the SmartHQ™ app for remote control and notifications

DIMENSIONS

Height	820 - 880mm
Width	598mm
Depth	554mm

FEATURES & BENEFITS

SEAMLESS INTEGRATION

Customise your dishwasher with a panel and handle matching your cabinetry, for a seamless finish in your kitchen.

Advanced Drying

For beautifully dry dishes every time, this dishwasher features an advanced drying system. It combines fan-assisted drying with an

automatic door opening at the cycle's end. The Auto Door Open Dry feature releases excess steam, ensuring dishes are immediately ready for use or storage. An innovative air curtain channels the steam away from the adjacent benchtop, protecting your cabinetry.

A RELIABLE CLEAN

This dishwasher offers eight wash programs including Glassware and Auto, which automatically senses the optimal wash settings for your dishes. The three-stage filtration system delivers a superior clean, while the rinse aid indicator reminds you to top up for beautifully clean dishes.

Customise Your Wash

The Half Load modifier is perfect for washing a partial load, for faster turnaround of dishes. Sanitise provides extra protection, killing 99.9% of bacteria* in the final rinse, while the Dry+ modifier is great for plastic dishes. *Certified to NSF/ANSI Standard 184

QUIET PERFORMER

Running at a very low decibel rating, this dishwasher does its job without making a fuss. The combination of clever technology and simple mechanics means greater reliability and superior wash performance, with minimal noise.

EFFICIENT PERFORMANCE

With a 4.5 star energy rating and 5.5 star water rating, this dishwasher delivers a powerful wash. Use the Eco wash program for optimal water and energy consumption, or choose when the cycle begins with Delay Start.

FLEXIBLE LOADING

Designed to fit 15 place settings with ease. Adjustable rack options provide flexibility for any load, with a full-width cutlery tray, height-adjustable middle rack, cup holders and wine glass supports.
