FEATURES & BENEFITS

Quick, Sanitise and Extra Dry options

The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection, killing 99.9% of bacteria in the final rinse. The Extra Dry setting is perfect for plastic dishes.

Ease Of Use

DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers, and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking

allows you to make adjustments to fit in a variety of dishes.

Independent Washing

With the ability to use both drawers independently and select different wash programs, the DishDrawer™ Dishwasher can wash everything from fine glass and crystal to heavily soiled pots and pans.

Beauty Of Choice

As much a design component as a high performance appliance, the black DishDrawer™ Dishwasher brings a touch of sophistication to your kitchen, on its own or part of a matching kitchen appliance set.

True Half Load

Each drawer holds a true half load for small, fast dish washing that won't waste water. Both drawers operate independently so two wash cycles can operate simultaneously to allow for varying loads.

Quiet Performer

Running at a very low decibel rating, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.
