

# 32" Series 7 Integrated French Door Refrigerator Freezer, Ice

Integrated

Designed to seamlessly integrate into your kitchen. With minimal gaps and no visible hinges, this model has a flush fit to suit any kitchen layout.

- ActiveSmart™ technology helps keep food fresher for longer by constantly maintaining the ideal temperature.
- Customize with your own kitchen cabinetry or purchase our stainless steel door panel accessory.
- With SmartTouch control panel for ease of use
- Spacious bottom freezer with full extension drawer and ice maker with boost function

## DIMENSIONS

|        |            |
|--------|------------|
| Height | 71 7/8 "   |
| Width  | 31 1/8 "   |
| Depth  | 23 11/16 " |

## FEATURES & BENEFITS

- Perfect Fit**  
These models fit flush and have minimal gaps, with no visible hinges. Our Integrated refrigeration can be seamlessly hidden behind your cabinetry or you can purchase our stainless steel door panel.
- ActiveSmart™ Foodcare**  
ActiveSmart™ Foodcare learns how you live. By understanding how you use your refrigerator and adjusting temperature, airflow and humidity inside, it helps keep food fresher for longer.
- Flexible Storage**

Designed to make it simple for you to store, sort and access food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our cantilevered shelving also gives you more storage options.

**Ice maker**  
Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space, or during busy times you can boost ice production by up to 30%.

**Beautiful Lighting**  
LED lighting illuminates the interior with a crisp, clean glow for enhanced visibility. Our energy saving LEDs use less power than comparable halogen lights.

**Easy Cleaning**  
Secure, spill-safe glass shelves easily capture any drips or leaks, and can be easily removed for fast and easy cleaning.

**Clever Energy**  
This refrigerator adapts to daily use by cooling and defrosting only when needed, providing greater energy efficiency without compromising on food care.
