

# Gas on Steel Cooktop, 90cm, Flush Fit

Series 9 | Contemporary

Stainless Steel | Natural gas

Designed to fit flush into your kitchen benchtop, this large cooktop creates a seamless look and easy cleaning.

- A large cooking area with five burners, including a wok burner
- A flame-failure safety device; if a flame goes out, the gas turns off

## DIMENSIONS

Height	76mm
Width	900mm
Depth	530mm

## FEATURES & BENEFITS

### FITS FLUSH

The gas burners are recessed into the work surface, leaving the trivets flush and providing an integrated kitchen bench with a seamless look.

### CLEVER COOKING RESULTS

The consistent flame and heat distribution of the dual flame wok burner, combined with highly responsive dials, offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

## COMPLEMENTARY DESIGN

The brushed stainless steel has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

## SAFE AND SOUND

Intuitive dials glow red for on and white for off, showing from a distance which burners are lit. The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

## EASY CLEANING

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform, with rubber feet to prevent them from scratching the cooktop.

## HANDY ACCESSORIES

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

## SPECIFICATIONS

### Accessories

- Small pan support
- Wok stand

### Burner ratings
