QUICK REFERENCE GUIDE > OR90SCI4X1 Date: 24.04.2024 > 1

Freestanding Cooker, Induction, 90cm, 5 Zones with SmartZone

Series 7 | Classic

Stainless Steel

Heritage styling with contemporary performance in the large convection oven and induction cooktop, with SmartZone capability.

- Five cooking zones, with the ability to pair zones to create SmartZones
- Convection oven with 140L total capacity and nine oven functions including Pastry Bake with pizza mode and rapid proof for making bread
- Non-tip full-extension shelves for safe removal of hot dishes

DIMENSIONS

Height	898 - 946mm
Width	897mm
Depth	600mm

FEATURES & BENEFITS

Multi-Shelf Cooking

Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfectly as food cooking on the bottom shelf.

Quality and durability

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable cooktop and glowing halo dials all add up to an exceptional, premium range.

Power & control

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer a delicate sauce to perfection.

Even heat

Accurate, electronically-controlled oven heat ensures a great result every time.

Large capacity oven

The generous 140L total capacity oven gives you plenty of space to cook multiple dishes at once.

Large, Flexible Cooking Area

SmartZone links two cooking zones and controls them as one, giving you the flexibility to use large pans and griddles and easily handle bigger food items such as a whole fish.

SPECIFICATIONS

Accessories	
Chromed shelf runners	1 set
Flat wire shelf	1
Full extension sliding shelves	1 set (part 578744)
Full extension telescopic	1 set (part 578744)
Grill rack	•
Roasting dish	1
Step down wire shelf	•

Accessories (sold separately)

Kick strip, black (optional)	KICKOR90B1
Kick strip, stainless steel	KICKOR90X1
Kick strip, white (optional)	KICKOR90W1
