 - Spacious bottom freezer with full extension drawer gives easy access to frozen goods.
 - Stainless steel door panels and handles are available for separate purchase

DIMENSIONS

Height	1798 mm
Width	896 mm
Depth	606 mm

FEATURES & BENEFITS

- Perfect Fit**
These models fit flush and have minimal gaps, with no visible hinges. Purchase our stainless steel door panel and handles separately for a sleek, modern finish that complements your kitchen's style.
- ActiveSmart™ Foodcare**
ActiveSmart™ Foodcare learns how you live. By understanding how you use your refrigerator and adjusting temperature, airflow and humidity inside, it helps keep food fresher for longer.
- Flexible Storage**

- Designed to make it simple for you to store, sort and access food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our cantilevered shelving also gives you more storage options.
- Water dispenser**
The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water without taking up any storage space in your fridge.
- Ice maker**
Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.
- Beautiful Lighting**
LED lighting illuminates the interior with a crisp, clean glow for enhanced visibility. Our energy saving LEDs use less power than comparable halogen lights.
- Easy Cleaning**
No more permanent dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.
- SPECIFICATIONS**
- Accessories (sold separately)**
