|--------|--------------|
| Height | 34 - 36 3/8" |
| Width | 23 9/16" |
| Depth | 22 9/16" |

FEATURES & BENEFITS

- Ease of use**
DishDrawer™ Dishwashers are beautiful to use with soft-close drawers. The tall top drawer fits your larger plates and dishes up to 12 1/4 inches, while the bottom drawer is ideal for small washes. Flexible racking includes height-adjustable cup racks and wine glass supports.
- Design quality**
Every detail has been carefully crafted using quality materials, from the easy-to-clean stainless steel interior to the spray arm

sensor that detects jams for increased wash confidence.

- Complementary design**
With distinctive, bold styling, this DishDrawer™ Dishwasher is designed to match the Fisher & Paykel Professional style family of appliances.
- True half load**
Both drawers fit a true half load. Each drawer operates independently, so you can wash one load while stacking the other drawer, or wash simultaneously on separate cycles.

Flexible wash options
Eight wash programs including Auto, 60min and Glassware, while modifiers such as Sanitize, Dry+ and Quiet provide added wash flexibility. The Quiet wash modifier reduces the noise on some cycles while maintaining performance – perfect for late night washing.

Knock to pause
For ease-of-use, these DishDrawer™ Dishwashers have a knock to pause function. A knock on the front panel will pause the dishwasher, which can be restarted by using the start button.

Efficient performance
With a Energy Star Most Efficient rating, this DishDrawer™ Dishwasher is recognised amongst the most energy efficient models on the market.

SPECIFICATIONS

- Accessories**
- Cutlery basket
 - Kickstrip
 - Knife clip and multipurpose
- Capacity and loading**
