

Gas on Glass Cooktop, 45cm

Series 9 | Minimal

Black Glass | Natural gas

Powerful single wok burner. Pair with any other appliance in our Minimal range.

- Perfect for a compact cooking area with one dual flame wok burner with brass spreader
- A timeless, minimal look to fit any kitchen style, with black ceramic glass cooking zones and a black trim
- A flame-failure safety device; if the flame goes out, the gas turns off
- Removable cast iron trivets and ceramic glass that can be wiped down for easy cleaning

| Depth | 530mm |

FEATURES & BENEFITS

COMPLEMENTARY DESIGN

The subtle black glass, anodised trim, and black dials blend elegance with durability and are designed to match the Minimal style Series 9 ovens. With premium styling and detailing, these cooktops seamlessly blend with other appliances for a cohesive, considered kitchen design.

PRECISE CONTROL

The consistent flame and heat distribution of the dual flame wok burner combined with the highly responsive dials offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

QUALITY MATERIALS

With cast iron trivets, anodized metal dials and tough ceramic glass that can withstand high temperatures, we use only the highest quality materials for optimal performance.

SAFE & SOUND

The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

EASY CLEANING

Cleaning and care of these cooktops is easy with sealed burners and a single sheet cooking surface. After each use, simply remove the trivets and wipe down the glass.

QUALITY MATERIALS

Our cooktops are built from recyclable, eco-friendly ceramic glass – without using arsenic or heavy metals in the manufacturing process. The glass edges are chip-tested for

resistance to damage from pots and pans, ensuring lasting quality.
