

Gas on Steel Cooktop, 90cm, LPG

Series 7 | Contemporary

Stainless Steel | LPG

All the essentials in a large cooktop, including a wok burner for high heat cooking.

- Five burners including a wok burner
- A flame-failure safety device; if a flame goes out, the gas turns off

DIMENSIONS

Height	59mm
Width	900mm
Depth	530mm

FEATURES & BENEFITS

Precise control
The consistent flame and heat distribution of the burners, including the wok burner, combined with highly responsive dials offer precise heat control. Perfect a slow simmer for sauces or an intense heat for searing steaks.

Safe and sound
The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

Complementary design
The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

Easy handling
With flat cast iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.

Easy cleaning
The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform. Their rubber feet prevent them from scratching the cooktop.

Handy accessories
This cooktop comes with a small pan support and wok stand to complement different cooking styles.
