Freestanding Dishwasher, Sanitise

Series 7 | Contemporary

Stainless Steel

Offering a superior wash performance and advanced drying, this dishwasher features adjustable storage for easy loading.

- Seven wash programs from Heavy to Light, including Auto, 60min and Eco
- Dry+, Sanitise, Half Load and Intensive modifiers provide extra wash options
- Flexible freestanding installation anywhere in your kitchen
- Wi-Fi enabled and works with the SmartHQ[™] app for remote control and notifications

DIMENSIONS

Height 848 - 908mm
Width 597mm
Depth 600mm

FEATURES & BENEFITS

Considered Design

Designed to match our Contemporary style family of products, this freestanding dishwasher has a sleek stainless steel finish with a front-of-door control panel for intuitive usability.

Advanced Drying

For beautifully dry dishes every time, this dishwasher features an advanced drying system. It combines fan-assisted drying with an automatic door opening at the cycle's end. The Auto Door Open Dry feature releases excess steam, ensuring dishes are

immediately ready for use or storage.

A Reliable Clean

This dishwasher offers seven wash programs including Auto, which automatically senses the optimal wash settings for your dishes. The three-stage filtration system delivers a superior clean, while the rinse aid indicator reminds you to top up for beautifully clean dishes

Customise your wash

Create the perfect wash with our range of modifiers, from Intensive for a thorough clean to Half Load, ideal for a partial load. The Sanitise modifier provides extra protection, killing 99.9% of bacteria* in the final rinse, while Dry+ is great for plastic dishes. *Certified to NSF/ANSI Standard 184

Quiet performer

Running at a very low decibel rating, this dishwasher does its job without making a fuss. The combination of clever technology and simple mechanics means greater reliability and superior wash performance, with minimal noise.

Efficient performance

With a 4.5 star energy rating and 5.5 star water rating, this dishwasher delivers a powerful wash. Use the Eco wash program for optimal water and energy consumption, or choose when the cycle begins with Delay Start.

Flexible loading

Designed to fit 15 place settings, this spacious model lets you stack large items with ease. Adjustable rack options provide flexibility for any load, with a full-width cutlery tray, height-adjustable middle rack, cup holders and wine glass supports.
