

# Built-under Dishwasher, Sanitise

Series 7 | Contemporary

Stainless Steel

- Offering a superior wash performance, this Dishwasher is designed to fit flush under your benchtop for a seamless look.
- Designed to be built under your benchtop, fitting flush with cabinetry for a seamless look
  - Seven wash programs to suit any load, from Delicate to Heavy
  - Quick, Sanitise and Extra Dry modifiers provide extra wash options
  - Auto option senses the optimum wash cycle for your dishes

## DIMENSIONS

Height	820 - 880mm
Width	598mm
Depth	574mm

## FEATURES & BENEFITS

- Seamless design**  
Install this dishwasher flush under your benchtop with the option of a custom kickstrip, ensuring minimal gaps. Designed to match our companion products for a seamless finish in your kitchen.
- A Quality Wash**  
This dishwasher offers seven wash programs including Auto, which automatically senses the optimal wash cycle for your dishes. The three stage filtration system delivers a superior clean, while the rinse aid indicator reminds you to top up for squeaky-clean dishes.
- Quick, Sanitise And Extra Dry Options**  
The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection killing 99.9% of bacteria in the final rinse. The Extra Dry setting is perfect for those hard to dry plastic dishes.

**Efficient drying**  
ThermoDry technology removes moisture from the final hot rinse using natural condensation. The Extra Dry option can be added to selected wash cycles to further boost the drying performance.

**Flexible Stacking**  
Designed to fit 15 place settings, the flexible, adjustable storage lets you stack large items with ease - featuring a full width cutlery tray, height adjustable middle rack, cup holders and wine glass supports.

**Quiet & reliable**  
Running at a very low decibel rating, this dishwasher does its job

without making a fuss. The combination of clever technology and simple mechanics means greater reliability and superior wash performance.

**Efficient Performance**  
This dishwasher delivers a powerful wash that ensures optimal results, with a 4 star energy rating and a 5.5 star water rating. Use the Delay Start option for up to 12 hours.

## SPECIFICATIONS

The product dimensions and specifications in this page apply to the specific product and model. Under our policy of continuous improvement, these dimensions and specifications may change at any time. You should therefore check with Fisher & Paykel's Customer Care Centre to ensure this page correctly describes the model currently available. Fisher & Paykel Appliances Ltd 2020

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions.

**Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
