

Integrated Insert Cooker Hood, 90cm

Series 7 | Integrated

With powerful extraction, this efficient, stylish range hood is perfectly hidden away in your cabinetry.

- With four fan speeds, plus boost function, select the perfect extraction rate for your cooking
- Powerful maximum air movement 687m³/hr
- With LED strip lighting to perfectly illuminate your hob
- Dishwasher safe filters that are easy to remove and clean

DIMENSIONS

Height	315mm
Width	830mm
Depth	280mm

FEATURES & BENEFITS

Effective and quiet

Odours can linger in the kitchen well after cooking is finished. This cooker hood offers four fan speeds plus a boost function for powerful extraction to quickly remove steam and odours. The timer keeps the cooker hood working for up to 15 minutes before automatically turning off.

Easy cleaning

The glass and stainless steel finishes are easily wiped clean and the filters removable and dishwasher safe. An alert reminds you when to clean the filter to ensure you get the best performance out of your cooker hood.

Simple to use

The intuitive control panel responds to the touch of your finger. Low-power LED lighting keeps energy usage to a minimum while providing superb illumination over the entire cooking surface.

Designed to match

This cooker hood can be built into your cabinetry for a seamless look. Its black glass control panel and stainless steel finish is designed to match the rest of Fisher & Paykel's kitchen appliance family.
