The consistent flame and heat distribution of the burners, including the wok burner, combined with highly responsive dials offer precise heat control. Perfect a slow simmer for sauces or an intense heat for searing steaks.
- Easy Handling**
With flat cast-iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.
- Safe and sound**
The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.
- Complementary design**
The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.
