# Freestanding Refrigerator Freezer, 63.5cm, 380L, Ice & Water

Series 5 | Contemporary

Stainless Steel | Right Hinge

With generous storage and stylish stainless steel design for a timeless look. Perfect for smaller kitchens.

- ActiveSmart technology helps keep food fresher for longer by constantly maintaining the ideal temperature
- Door water dispenser and internal ice maker
- Spacious bottom freezer with easy-slide internal drawers to separate storage

Choose which side you'd like your door hinge on to suit your kitchen layout

## DIMENSIONS

# FEATURES & BENEFITS

#### Activesmart Foodcare

Every time you open your refrigerator, the temperature around your food changes. ActiveSmart foodcare adjusts airflow to create a stable temperature, helping your food stay fresher for longer.

Water Dispenser

# FISHER & PAYKEL

The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water and doesn't take up any storage space in your refrigerator.

#### Ice maker

Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

#### Design quality

Our refrigerators are designed and built using quality materials. We use real stainless steel, and solid glass for shelving as well as in our wine cabinet doors.

#### Easy cleaning

No more permanent dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

#### Humidity control

Your fruit and veges need different environments. The humidity control slides in each storage bin create a perfect microclimate for each, which helps keep them fresher for longer.

#### Clever energy

Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means it uses the energy it needs without compromising on food care.
