

Freestanding Cooker, Induction, 90cm, 4 Zones

Series 5 | Classic

Stainless Steel

Heritage styling paired with contemporary performance, in a freestanding cooker with large convection oven and induction cooktop.

- Large induction cooktop with four cooking zones
- Convection oven with 140L total capacity and seven oven functions including Fan Bake
- Optional non-tip full-extension shelves for safe removal of hot dishes

DIMENSIONS

Height	898 - 946mm
Width	897mm
Depth	600mm

FEATURES & BENEFITS

Quality and durability

This freestanding cooker has been carefully crafted in every detail from performance to durability, using quality materials including the balanced soft-close door and turned stainless steel dials.

Impressive capacity

With an extra large 140L capacity, this freestanding cooker has plenty of space for cooking multiple dishes at the same time.

Power & Control

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear and stir fry over powerful heat, or simmer a delicate sauce to perfection.

Even heat

Dishes on the top shelf turn out as perfectly as the ones on the bottom, due to our AeroTech™ convection system that circulates air evenly throughout the entire oven.

Easy To Clean

Cleaning up spills is effortless. Your cooktop simply needs a quick wipe to keep it looking good as new for years to come.

Safe and sound

The door and cavity cooling system keeps the heat on the inside, protecting your hands and surrounding cabinetry.
