

Combination Microwave Oven, 60cm, 22 Function

Series 9 | Minimal

Grey Glass

The speed of microwave cooking with the versatility of convection oven technology in a compact companion model, for perfect pairing.

- Generous 49L capacity, with four shelf positions
- A Wired Temperature Sensor precisely monitors cooking in real time
- Guided touchscreen cooking makes it simple to navigate cooking processes
- Wi-Fi enabled and works with the SmartHQ™ app for remote control and notifications

DIMENSIONS

Height	458mm
Width	596mm
Depth	565mm

FEATURES & BENEFITS

Cooking flexibility

Choose from 22 functions, including four microwave-only functions, 14 traditional oven functions, and four combination functions, giving you the best microwave and convection oven technology.

Cook with confidence

The 5" screen provides an intuitive guided cooking experience that helps to deliver perfect results, whether you've been

cooking all your life or are just starting out.

Sized to suit

A compact 60cm width means this microwave oven can be placed almost anywhere – all companion products can be installed at a convenient height to suit your kitchen design and preference.

Complementary design

With a subtle grey glass finish, this Minimal style oven blends seamlessly, enhancing your kitchen design without dominating it. It's understated and elegant, whether on its own or part of a matching appliance set.

Multi-function flexibility

Each function has been tailored and tested to ensure perfect defrosting, heating and cooking. A Wireless Temperature Sensor precisely monitors cooking in real time, giving you complete control.

Safe And Sound

The CoolTouch door is safe to touch from the outside, protecting your hands and the surrounding cabinetry.
