

Integrated Refrigerator Freezer, 36", Ice & Water

Series 7 | Integrated

Stainless Steel | Right Hinge

Choose a spacious refrigerator that fits flush into surrounding cabinetry, complemented by our stylish stainless steel panel with a slimline water dispenser.

- ActiveSmart™ technology helps keep food fresher for longer by constantly maintaining the ideal temperature
- SmartTouch control panel ensures ease of use
- Spacious bottom freezer featuring a full-extension drawer and an ice maker with boost function
- Stainless steel door panels and handles are available for separate purchase

DIMENSIONS

Height	79 13/16"
Width	35 1/16"
Depth	23 3/4"

FEATURES & BENEFITS

- Perfect Fit**
These models fit flush and have minimal gaps, with no visible hinges. Purchase our stainless steel door panel and handles separately for a sleek, modern finish that complements your kitchen's style.
- ActiveSmart™ Foodcare**
ActiveSmart™ Foodcare learns how you live. By understanding how you use your refrigerator and adjusting temperature, airflow

and humidity inside, it helps keep food fresher for longer.

- Flexible Storage**
Designed to make it simple for you to store, sort and access food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our cantilevered shelving also gives you more storage options.
- Water dispenser**
The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water without taking up any storage space in your fridge.
- Ice maker**
Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

- Beautiful Lighting**
LED lighting illuminates the interior with a crisp, clean glow for enhanced visibility. Our energy saving LEDs use less power than comparable halogen lights.
- Easy Cleaning**
No more permanent dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

SPECIFICATIONS

Accessories (sold separately)	
Door panel stainless steel	80", Right hinge RD3680WRU
Door panel stainless steel Right	RD3684WRU

The product dimensions and specifications in this page apply to the specific product and model. Under our policy of continuous improvement, these dimensions and specifications may change at any time. You should therefore check with Fisher & Paykel's Customer Care Centre to ensure this page correctly describes the model currently available. Fisher & Paykel Appliances Ltd 2020

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
