## DIMENSIONS

Height	70 15/32"
Width	35 7/16"
Depth	27 3/8"

## FEATURES & BENEFITS

- ActiveSmart™ Foodcare**  
ActiveSmart™ Foodcare learns how you live. It's technology which understands how you use your refrigerator and adjusts temperature, airflow and humidity inside to help keep food fresher for longer.
- Design quality**  
Our refrigerators are designed and built using quality materials. We use real stainless steel on our refrigerators, hidden hinges and solid glass for shelving.

**CLEVER ENERGY**  
Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means your refrigerator uses the energy it needs without compromising on food care.

**Simple Storage**  
This refrigerator is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.

**Humidity Control**  
Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.

**Ice maker**  
Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

**Easy Cleaning**  
Spill-safe secure glass shelves easily capture any drips or leaks.

## SPECIFICATIONS

Accessories (sold separately)	
Water filter replacement	847200 - FWC3

Capacity	
Total gross capacity	20.1cu ft
Volume freezer	5.5cu ft
Volume refrigerator	14.6cu ft

Consumption	
Energy rating	Energy star
Energy usage	532kWh/year

In-use energy carbon	195.0kgCO2e/year	Humidity control system	•	Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.

<b>Performance</b>		<b>Where applicable:</b>		
ActiveSmart™ Foodcare	•	All appliances use energy, and energy usage typically generates carbon emissions. <b>Fisher &amp; Paykel Appliances' In-use Energy Carbon Emissions Estimate</b> indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.		
Adaptive defrost	•			
Frost free freezer	•
