

Double DishDrawer™ Dishwasher, Sanitise

Series 9 | Contemporary

Black Stainless Steel

Wash one drawer while you load the other, with minimal bending. Or wash both at once, with room in each drawer for full size dinner plates.

- Six wash programs, as well as additional Quick wash, Sanitise and Extra Dry options
- Black stainless steel finish with black anodised aluminium handle and buttons
- Flexible racking allows you to customise internal shelves to suit your needs
- Pairs beautifully with our Black French Door Refrigerator

DIMENSIONS

Height	820 - 880mm
Width	599mm
Depth	573mm

FEATURES & BENEFITS

EASE OF USE

DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers, making loading dishes simple. Flexible racking allows you to make adjustments to fit in a variety of dishes.

BEAUTY OF CHOICE

As much a high performance appliance as a design component, the black DishDrawer™ Dishwasher brings a touch of sophistication to your kitchen, on its own or part of a matching

kitchen appliance set.

Independent Washing

With the ability to use both drawers independently and select different wash programs, the DishDrawer™ Dishwasher can wash everything from fine glass and crystal to heavily soiled pots and pans.

TRUE HALF LOAD

Each drawer holds a true half load for small, fast dish washing that won't waste water. Both drawers operate independently so two wash cycles can operate simultaneously to allow for varying loads.

Quiet Performer

The DishDrawer™ Dishwasher does its job without making a fuss - running at a very low decibel rating, they produce little in the way of noise.

MULTIPLE WASH TYPES

Wash modifiers allow specialised cycle settings. Quick delivers faster with no performance reduction, Sanitise provides extra protection from bacteria, and Extra Dry is perfect for plastic dishes.

SPECIFICATIONS

Accessories

- Cutlery basket
- Kickstrip
- Knife clip and multipurpose

Capacity and loading

Accommodates round plates	280mm
