

Induction Cooktop, 12", 2 Zones with SmartZone

Series 9 | Contemporary

Black Glass

The energy efficiency and immediacy of induction heat, plus SmartZone. Pair your two cook zones to create one large heating surface.

- Immediate heat response and extremely accurate temperature control
- Child and pet safe – cooktop remains cool to touch until a pot or pan is placed on the surface
- PowerBoost activates a very high heat, bringing liquid to boil in less than a minute
- Touch&Slide controls easily control each cook zone

DIMENSIONS

Height	3 11/16"
Width	11 13/16"
Depth	20 7/8"

FEATURES & BENEFITS

Enhanced features

PowerBoost and GentleHeat deliver either very high or very low heat fast for specialized cooking tasks such as searing meat and melting chocolate. An integrated timer keeps you on track.

Safer choice

Induction cooktops only start heating your pot or pan once you've placed it on the ceramic surface and stop as soon as you remove it – so you don't have to worry about curious little

fingers or leaving an element on.

Instant response

Go from a boil to a simmer in seconds. Fisher & Paykel Touch&Slide controls react immediately when you adjust the temperature so you don't waste time in the kitchen.

Easy cleaning

The surface around your cookware stays cool when you cook – preventing baked-on spills and making cleaning up a breeze. The durable ceramic cooktop surface just needs a quick wipe after use to maintain its good looks.

Superior efficiency

PowerBoost and GentleHeat deliver either very high or very low heat fast for specialized cooking tasks such as searing meat and melting chocolate. An integrated timer keeps you on track.

Precise Control

Fisher & Paykel induction cooktops offer extremely accurate, consistent temperature control from very high to very low heats, so you can sear, sauté and temper like a pro.

Perfect steak with induction

Fisher & Paykel induction cooktops quickly reach high temperatures, ideal for cooking steak. Cast iron pans are the best choice as they are highly inductive and get really hot for perfect searing.

SPECIFICATIONS

Cleaning

- Flat easy clean glass surface
- Pan detection system

Controls

- Auto cut-off timer for each
- Minute timer

- Soft-touch electronic controls
- Touch and slide controls

Performance

- Auto heat reduce
- Dual color display
- Heat settings **9**
- Induction cooking technology
- SmartZone
- Zone bridging

Power requirements

Amperage	16A
Supply frequency	60Hz
Supply voltage	240V

Product dimensions

Depth	20 7/8"
Height	3 11/16"
Width	11 13/16"

Safety

- Keylock
- Pan detection system
- Safety time out
- Spillage auto off
- Surface hot indicators
