

Wall Rangehood, 90cm, Box Chimney, with External Blower

Series 7 | Contemporary

Stainless Steel and Glass

This wall chimney rangehood has an externally installed blower to deliver near silent yet powerful extraction of steam, grease and cooking odours.

- External blower delivers near silent operation in the kitchen
- With three fan speeds plus a boost function, select the perfect extraction rate for your cooking
- Powerful 1200m³/h maximum airflow
- Dimmable LED lighting illuminates the cooking surface beautifully

DIMENSIONS

Height	595 - 1035 mm
Width	898 mm
Depth	500 mm

FEATURES & BENEFITS

Near silent extraction

The powerful external blower is installed outside the home to deliver near silent extraction of cooking odours and steam from the kitchen.

Seamless integration

Designed to match our Contemporary style appliances, this wall chimney rangehood features sleek black glass and stainless steel styling to complement any kitchen design.

<<Missing Feature Title>>

This rangehood features three fan speeds plus boost function, providing powerful extraction to quickly remove odours and steam. As odours can linger in the kitchen well after cooking is finished, the timer keeps the rangehood working for up to 15 minutes before automatically turning off.

Full surface lighting

Low energy, dimmable LED lights provide superb illumination over the entire cooking surface.

Easy to use

This Fisher & Paykel rangehood features a sleek and easy to use touch-control panel.

Easy cleaning

Designed for simple removal, the filters are easy to clean and dishwasher safe. The stainless steel mesh cover just needs a quick wipe to keep clean. An alert reminds you when to clean the filter to ensure you get the best performance out of your

rangehood.

Considered efficiency
