- Flexible racking system, with 15 place settings to fit a variety of dishes

DIMENSIONS

Height	880mm
Width	598mm
Depth	574mm

FEATURES & BENEFITS

Considered design

Designed to match our Contemporary style black glass family of products, this built-under dishwasher has a tactile black glass finish that pairs perfectly with a recessed handle.

Seamless integration

Our built-under dishwashers are installed flush under your benchtop with the option of a custom kickstrip, ensuring minimal gaps.

A reliable wash

<>

Quick, Sanitise and Extra Dry options

The Quick wash modifier maintains Performance while giving you clean dishes faster. Sanitise provides extra protection, killing 99.9% of bacteria in the final rinse, while the Extra Dry setting is perfect for plastic dishes.

Drier dishes

ThermoDry technology removes moisture from the final hygienic hot rinse, leaving your dishes with an ultra dry finish.

Easy to load

Designed to fit 15 place settings, the flexible racking system features a third rack for cutlery and utensils. The middle basket, cup racks and wine glass holders are easily adjusted to accommodate different sized dishes.

Quiet performer

Running at a very low decibel rating, this dishwasher does its job without making a fuss. The combination of clever technology and simple mechanics means greater reliability and superior wash performance.

Efficient performance

With a 4 star energy rating and a 5.5 star water rating, this dishwasher delivers a powerful wash with optimal results. Use the energy saving Delay Start option for up to 12 hours.
