**FEATURES & BENEFITS**

- Pyrolytic self-clean that breaks down food residue for an easy clean

**Multi-shelf cooking**
Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfectly as food cooking on the bottom shelf.

**Quality and durability**
Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, precise electric temperature control and chromed cast zinc dials all add up to an exceptional, premium range.

**Easy cleaning**
Cleaning up spills is effortless. Your cooktop simply needs a quick wipe to keep it looking good as new. The pyrolytic self-clean oven cycle breaks down food residue at a very high temperature, leaving a light ash that’s easily removed with a damp cloth.
