- Spacious bottom freezer with easy-slide internal drawers to separate storage
- Door water dispenser and internal ice maker

DIMENSIONS

Height	1715 mm
Width	790 mm
Depth	695 mm

FEATURES & BENEFITS

ActiveSmart™ Foodcare
ActiveSmart™ Foodcare learns how you live. It is the technology that understands how you use your refrigerator and adjusts the temperature, airflow and humidity inside to help keep food fresher for longer.

Humidity Control
Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.

Clever Energy
Your fridge adapts to daily use by cooling and defrosting only when needed. This means your fridge uses the energy it needs without compromising on food care.

Design Quality
Our refrigerators are designed and built using quality materials. We use real stainless steel on our fridges and solid glass for shelving.

Easy Cleaning
No more permanent dirty marks with our EZKleen feature for stainless steel fridges. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

Ice Maker
Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

Water Dispenser
The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water and doesn't take up any storage space in your fridge.

SPECIFICATIONS

Accessories (sold separately)

Water filter replacement	847200 - FWC3

Capacity

Total gross capacity	519 L
Volume	494 L
Volume freezer	146 L
Volume refrigerator	348 L

Connected Features

Cyber security updates until	04 / 03 / 2028

Consumption

Energy rating	4 star (IEC - 2015), 3.5 star (AS/NZS - 2009)
Energy usage	376kWh/year (IEC 62552- 2015), 414kWh/year (AS/NZS 4474.2:2009)
In-use energy carbon emissions estimate	229.4kgCO2e/year (IEC 62552-2015), 252.6kgCO2e/year (AS/NZS 4474.2:2009)

Features

Adjustable door shelves	4
Adjustable glass shelves	4
Covered door shelves	2
Door alarm	•

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
