## FEATURES & BENEFITS

### Perfect Fit

These models fit flush and have minimal gaps, with no visible hinges. Our Integrated refrigeration can be seamlessly hidden behind your cabinetry or you can purchase our stainless steel door panel.

### ActiveSmart™ Foodcare

ActiveSmart™ Foodcare learns how you live. By understanding how you use your fridge and adjusting temperature, airflow and humidity inside, it helps keep food fresher for longer.

### Flexible Storage

Designed to make it simple for you to store, sort and access food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our cantilevered shelving also gives you more storage options.

### Water on tap

The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water without taking up any storage space in your fridge.

### Ice maker

Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

### Beautiful Lighting

LED lighting illuminates the interior with a crisp, clean glow for enhanced visibility. Our energy saving LEDs use less power than comparable halogen lights.

### Easy Cleaning

Secure, spill-safe glass shelves easily capture any drips or leaks, and can be easily removed for fast and easy cleaning.
