

Freestanding Cooker, Induction, 90cm, 5 Zones with SmartZone, Self-cleaning

Series 9 | Professional

Stainless Steel

Professional style and performance, with a large oven and five cooktop zones that can be paired to create an expansive cook zone.

- Large convection oven with 140L total capacity
- Nine functions plus Rotisserie, including Pastry Bake, Pizza Mode and Rapid Proof
- Non-tip full-extension shelves for safe removal of hot dishes

- Pyrolytic self-cleaning oven cycle breaks down food residue for an easy clean

DIMENSIONS

Height	898-946mm
Width	897mm
Depth	600mm

FEATURES & BENEFITS

MULTI-SHELF COOKING

Our AeroTech™ system circulates heat evenly for a consistent temperature throughout the cavity, helping you achieve perfect results even when using multiple shelves.

QUALITY AND DURABILITY

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable cooktop and glowing halo dials all add up to a premium freestanding cooker.

POWER & CONTROL

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer a delicate sauce to perfection.

EASY TO CLEAN

Cleaning up spills is effortless. Your cooktop simply needs a quick wipe to keep it looking good as new. The pyrolytic self-clean oven cycle breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

EVEN HEAT

Accurate, electronically controlled oven heat ensures a great result every time.

LARGE CAPACITY OVEN

The generous 140L total capacity oven gives you plenty of space to cook multiple dishes at once.
