

Gas on Glass Hob, 60cm, LPG

Series 9 | Minimal

Black Glass | LPG

A powerful three-burner with precise control and performance. Designed to pair with other Minimal style kitchen appliances for a cohesive, considered kitchen.

- Three burners include a dual flame wok burner and two semi-rapid burners
- Minimal style with elegant black trim and black ceramic glass cook zones
- Flame-failure safety device automatically turns off the gas if the flame goes out
- Easy to clean with removable trivets and wipeable ceramic glass

DIMENSIONS

Height	124mm
Width	600mm
Depth	530mm

FEATURES & BENEFITS

Complementary Design

The subtle black glass, anodised trim, and black dials blend elegance with durability, designed to match our Minimal style Series 9 ovens. Featuring premium styling and detailing, this hob seamlessly integrates with other appliances, for a cohesive and considered kitchen design.

Precise control

The dual flame wok burner ensures consistent flame and heat distribution, while the highly responsive dials allow for precise heat adjustment. This combination is perfect for achieving a slow simmer for sauces or an intense heat for searing steaks.

Easy cleaning

Cleaning and care of these hobs is easy with sealed burners and a single sheet cooking surface. After each use, simply remove the trivets and wipe down the glass.

Quality Materials

Featuring cast iron trivets, anodised metal dials, and high-temperature resistant ceramic glass, our hobs are built with the finest materials for optimal performance.

Safe & Sound

The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

Crafted for durability

Our cooktops are built from recyclable, eco-friendly ceramic glass, avoiding the use of arsenic or heavy metals in the

manufacturing process. The glass edges are chip-tested for resistance to damage from pots and pans, ensuring lasting quality.
