\*\*\*Replaces part 315137\*\*\* Kit used to convert the side the door opens on white 635mm width cabinets, where the freezer is bottom mounted (fridge is at the top and freezer is at the bottom). This kit is for white door models with white plastic straight edge style handles. The handles in the kit are square, this kit can also be used on refrigerators with white curved handles. Not suitable for models with stainless steel handles or stainless steel doors. Note: When facing the refrigerator the hinge is on the right hand side and needs to be converted to the left hand side. Suits models: E372BRT E402BRT.
