

Series 7 Contemporary Tall Built-in Dishwasher

Contemporary

Featuring a pocket handle design, this tall built-in dishwasher delivers a streamlined aesthetic with practical everyday performance. Pitch adjustable racking supports flexible loading, while auto sensing wash technology adjusts water and wash intensity to suit each load. Quiet performance supports comfortable everyday use in open plan kitchens.

- Auto sensing wash adjusts water and wash intensity to suit each load
- Designed to maximize usable space, with pitch-adjustable tines for deeper dishes and bowls

- Auto Door Open Dry releases excess steam, while an Air Curtain directs it away from surrounding cabinetry
- Wi-Fi enabled and works with the SmartHQ™ app for remote control and notifications

- Medium •
- Quiet •
- Wash programs 7

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.

Performance

Noise emissions 44 dBA

Water connection

Water pressure 30kPa - 1000 kPa

Power requirements

Amperage 10A
Supply frequency 60Hz
Supply voltage 100 - 120V

SKU 85807

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.
